Dear Shareholders,

I'm glad to share that we achieved strong growth last fiscal amidst highly competitive market.

During this period, we have added a dozen new clients in Germany, Middle East and the US; significantly increasing our footprint in these geographies. We continue to build capacity and infrastructure to support these client additions.

Our primary objective is to help address and solve our clients' business and technology challenges to enable them to better serve their goals. With that in mind, we will increase our relevance in the minds of our customers. The more we succeed in that, the more likely to create increased value to our shareholders.

We witness steady growth and have strongfoot on ground to sustain our growth into next year. I am happy to share that we have enough pipeline of business growth in coming years. We have expanded scope of work with many clients to bring more revenue sources.

In line with our strategy, efforts are focused on pushing our sales and marketing resources to expand into a larger and more diversified client base. We continue to invest in growing our business by adding new, niche and high margin accounts and build new capabilities while strengthening our existing client base. We are also actively looking out for acquisition opportunities in the US market, but at the same time we are cautious in picking the right target.

Our fiscal 2018 results are detailed in this Annual report and demonstrate the underlying strength of our business. Our revenue increased to INR 97.5 crores from INR 84.47 crores in FY17, a growth of 15.4% in constant currency from the previous year. Our profit after tax grew to INR 16.7 crores from INR 13.3crores in FY17 which is a significant growth of 25.6%. We also declared the dividend of 5% dividend for our investors, which amounts to INR 0.50 per share.

Thank you to each one of our clients and shareholders, their trusts and belief in us has enabled us to be the company we are.

The dedication of our 700+ team members to drive outcomes for our clients is a testament to the results we have shown in fiscal 2018 and the continuing strength of our institution.

Thank you to each one of them.

Our exceptional leadership team is instrumental in rapidly growing the company in past few years and helped in designing our strategic framework to sustain the high growth rate. My sincere thanks to them for their energy and commitment in helping us to operationalize our strategy.

Warm regards,

Siddharth Sethi
Managing Director

Overview

Founded in 2000, InfoBeans Technologies is a Leading player offering Digital Transformation, Product Engineering and Automation and DevOps for clients across the globe. With two state-of-the-art facilities in India, the CMMI level 3 certified Company caters to Fortune 500 clients in USA, Germany and Middle East markets. The Company caters to a wide range of segments in the industry, including distributed storage systems, multi-format multi modal content delivery and ecommerce web and mobile platforms for diverse sectors. The Company's high corporate governance, transparent working, professional team of over 700+ employees and high customer-focus has enabled it to grow its blue-chip client base with over 90% repeat business.

Global Economy Overview

The acceleration in global activity that started in 2016 gathered steam in 2017, reflecting firmer domestic demand growth in advanced economies and improved performance in other large emerging market economies. Global growth is set to be just over 3.5% in this calendar year 2018, the fastest for seven years, with improved outcomes in both advanced economies and the EMEs. Confidence measures and levels of new orders for businesses remain strong. This long awaited lift to global growth, supported by policy stimulus, is being accompanied by solid employment gains, a moderate upturn in investment and a pick-up in trade growth. The continued expansion depends on robust global growth and governments' support for right trade policies. However, there are signs that escalating trade tensions may already be affecting business confidence and investment decisions, which could compromise the current outlook. (Source: IMF and OECD).

IT Outlook- Global

The global information technology industry surpassed \$4.5 trillion in 2017, according to the research consultancy IDC. If growth expectations materialize in the year ahead, spending will eclipse the \$4.8 trillion mark. The United States is the largest tech market in the world, representing 31% of the total, or approximately \$1.5 trillion for 2018. In the U.S., as well as in many other countries, the tech sector is one of the most significant contributors to GDP.

In the aggregate, the Asia-Pacific region, which encompasses Japan, China, Australia, India, and surrounding countries, accounts for one-third of the total. APEC has increased its share of the global IT pie, driven by the rise of countries such as China and India, and the slower growth rates experienced in parts of Europe and other markets.

All workers employed by U.S. technology companies

represent tech industry employment. In 2017, an estimated 6.1 million workers were employed in this category, an increase of 2.0% over 2016. For 2018, the growth outlook should roughly mirror the previous year.

In 2017, nearly 5.4 million individuals worked as technology professionals across the U.S. economy. This represents an increase of 2.1%, or nearly 110,000 net new jobs. Growth in the tech occupation category is also expected to hold steady in the year ahead.

This performance could not have been achieved without our Company's continuous focus on customer centric initiatives, strengthening of existing capabilities and entry into new segments. Our Company has continued to grow as a lean and agile organization, delivering robust performance due to consistent implementation of best practices in operations, institutionalization of a number of strategic initiatives and enhanced employees engagement. Our Company firmly believes that the team members are its most valuable asset. This belief is translated into action through a number of initiatives for improving employee engagement, capability building, empowerment and thought leadership to yield consistent results.

Achievements in businesses during the year:

InfoBeans Technologies Limited was recognized as “Dream Companies to Work For 2018” at the silver jubilee ceremony of World HRD Congress.

Risks and concerns

This section lists forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in these statements as a result of certain factors.

Economic Risk

A part of business is substantially dependent on the prevailing global economic conditions. Factors that may adversely affect economic growth world over that could affect the demand for customized software solutions include slowdown in the rate of implementation of digitization programs, inflation, changes in tax, trade, fiscal and monetary policies, scarcity of credit etc. As our revenues are highly dependent on export of IT solutions, as well as on clients need for digital solutions; an economic slowdown or other factors that affect the economic health of the nation or those client industries, or any other impact on the growth of such industries, may affect our business.

Competition Risk

This risk arises from more players wanting a share in the same pie. Like in most other sectors, opportunity brings with itself competition. We face different levels of competition in each sector, from domestic as well as multinational companies. Intense competition in the market for information technology services could affect our pricing, which could reduce our share of business from clients and decrease our revenues. However, InfoBeans has established strong brand goodwill with our clients and a strong foothold in a wide spectrum of IT services. We have built deep relationship with key client accounts and as a result are able to obtain competitive commercial terms and operational advantages. We also counter this risk with the quality of our offerings, our customer-centric approach and our ability to innovate customer specific solutions, focusing on creating wowand aggressive go-to-market strategy, disciplined and time bound project executions, coupled with prudent financial and human resources management and better control over costs. Thus, we do not expect to be significantly affected by this risk.

Trade Risk

Our engagements with customers are typically continuous in nature and normally provide for subsequent engagements. Our business will suffer if we fail to anticipate and develop new services and enhance existing services in order to keep pace with rapid changes in technology and in the industries on which we focus. Disruptions in technology, system failures, trade bans could negatively impact our operations and ability to provide our services and solutions. A large part of our revenues is dependent on top clients and the loss of any one of them could significantly impact our business.

Given the projected growth in the globaleconomy it is estimated that demand for our services will continue to rise steadily. The Company is further reducing its dependence on a single client or geography by establishing a wider global footprint. Thus, we believe we have adequate mitigation in place for trade risk.

Regulatory Risk

If we are unable to obtain required travel documents, approvals and licenses in a timely manner, our business and operations may be adversely affected. We require certain approvals, licenses, registrations and permissions for setting up business operations in new geographies. We may encounter delays in obtaining these requisite approvals, or may not be able to obtain such approvals at all, which may have an adverse effect on our revenues. However, the Government has come up with a number of initiatives to boost the information technology sector and has planned incentives sector. As all industry predictions suggest that this will be the trend in the future as well and given our own experience in obtaining such permissions, we do not expect this risk to affect us materially in the coming years.

Liability Risk

This risk refers to our liability arising from any damage to technology, equipment, office premises, life and third parties which may adversely affect our business. The Company attempts to mitigate this risk through contractual obligations and insurance policies.

Execution Risk

The Company has undertaken number of projects in the last year and several more are in the pipeline. Contracts are often conditioned upon our performance, which, if unsatisfactory, could result in lower revenues than previously anticipated. Some of our long-term client contracts contain benchmarking provisions which, if triggered, could result in lower future revenues and profitability under the contract. Any delay in project implementation can impact revenue and profit for that period. Our implementation schedules are in line with the plans. Emergency and contingency plans are in place to prevent or minimize business interruptions. Therefore, we do not expect this risk to affect us materially in the future. Concerns such as an unfavourable tax structure, infrastructure bottle-necks, retaining talent and unprecedented natural and man-made disasters and political/social turmoil which may affect our business, remain. However, these are threats faced by the entire industry. With superior methodologies and improved processes and systems, the Company is well positioned to lead a high growth path.

OPPORTUNITIES

India is the topmost off-shoring destination for IT companies across the world. Having proven its capabilities in delivering both on-shore and off-shore services to global clients, emerging technologies now offer an entire new gamut of opportunities for top IT firms in India. Social, Mobility, Analytics and Cloud (SMAC) are collectively expected to offer a US\$ 1 trillion opportunity. Cloud represents the largest opportunity under SMAC, increasing at a CAGR of approximately 30 per cent to around US\$ 650-700 billion by 2020. The social media is the second most lucrative segment for IT firms, offering a US\$ 250 billion market opportunity by 2020. The Indian e-commerce segment is US\$ 12 billion in size and is witnessing strong growth and thereby offers another attractive avenue for IT companies to develop products and services to cater to the high growth consumer segment.

THREATS

- ▶ Competition from local and multinational players
- ▶ Execution risk
- ▶ Regulatory changes
- ▶ Attraction and retention of human capital

INTERNAL CONTROL SYSTEMS AND ADEQUACY

In view of the changes in the Companies Act, the Company has taken additional measures to strengthen its internal control systems. Additional measures in this regard are fraud risk assessment, mandatory leave for employees, strengthening background verification process of new joiners, whistle blower policy and strengthening the process of risk management. The Company maintains a system of internal controls designed to provide a high degree of assurance regarding the effectiveness and efficiency of operations, the adequacy of safeguards for assets, the reliability of financial controls, and compliance with applicable laws and regulations.

The organization is well structured and the policy guidelines are well documented with pre-defined authority. The Company has also implemented suitable controls to ensure that all resources are utilized optimally, financial transactions are reported with accuracy and there is strict adherence to applicable laws and regulations.

The Company has put in place adequate systems to ensure that assets are safeguarded against loss from unauthorized use or disposition and that transactions are authorized, recorded and reported. The Company also has an exhaustive budgetary control system to monitor all expenditures against approved budgets on an ongoing basis.

Recognizing the important role of internal scrutiny, the Company has an internal audit function which is empowered to examine the adequacy of, and compliance with, policies, plans and statutory requirements. It is also responsible for assessing and improving the effectiveness of risk management, control and governance process.

Periodical audit and verification of the systems enables the various business groups to plug any shortcomings in time. As stated earlier the Company has improved effectiveness of the risk management process wherein it evaluates the Company's risk management system and suggests improvement in strengthening risk mitigation measures for all key operations, controls and governance process. In addition, the top management and the Audit committee of the Board periodically review the findings and ensure corrective measures are taken.

HUMAN RESOURCES

Human resource management (HRM) is the strategic and coherent approach to the management of an organization's most valued assets - the people working there who individually and collectively contribute to the achievement of the objectives of the business.

Human resource management is both an academic theory and a business practice that addresses the theoretical and practical techniques of managing a workforce. Human Resource

functions and initiatives of the Company are driven by a strong set of values and policies. Your Company has maintained a competitive, healthy and harmonious work environment at all levels. We have taken new initiatives to strengthen the Company's recruitment process, values and vision programmes, leadership and Performance management. The Company's HR policies and processes are aligned to effectively drive its expanding business and emerging Opportunities. This has been achieved by continuously investing in learning and development programs, creating a compelling work environment, empowering employees at all levels and maintaining well-structured reward and recognition mechanisms. Employee engagement remains a key focus of HR initiatives undertaken by the Company. InfoBeans enables its employees to meet their career objectives through rotation across projects, functions and locations. The Company helps employees build new skills and competencies and promotes knowledge sharing and team building. Effective HRM is vital for the attainment of the Company's goals. The Company believes that employees are the heart of organization and they constitute the primary source of sustainable competitive advantage. Relations among all the employees of the Company remained cordial and harmonious.

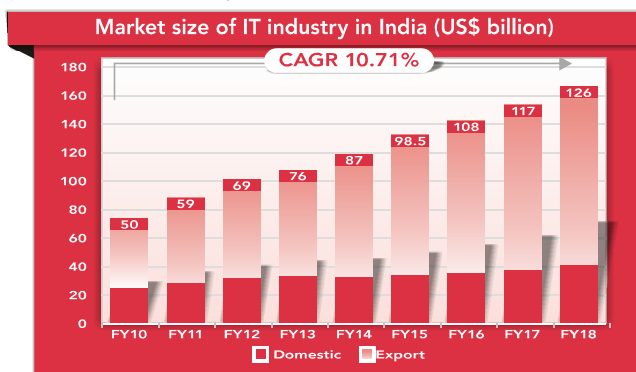

As on March 31, 2018, the Company had a workforce of 730+ people on rolls globally.

OUTLOOK

IT/ITES sector is one of the fastest growing sectors in the country and the government has taken various initiatives to promote further investments in the sector. This has been very encouraging for our industry.

Our Company is focused towards strengthening client relationships, adapting new technology changes and delivering WOW. To make our overseas presence more impactful we will continue to enhance our investments in order to achieve a market leader position. Our Company is focused on strengthening engagement, improving operational excellence, implementing best practices, and enhancing productivity.

India's IT industry contributed around 7.7 per cent to the country's GDP. IT industry employs nearly 3.97 million people in India of which 175,000 were added in FY17. The industry added around 1,05,000 jobs in FY18 and is expected to add over 100,000 jobs in FY19.

India is the leading sourcing destination across the world, accounting for approximately 55% market share of the US\$ 185-190 billion global services sourcing business in 2017-18. India acquired a share of around 38% in the overall Business Process Management (BPM) sourcing market. India's highly qualified talent pool of technical graduates is one of the largest in the world, facilitating its emergence as a preferred destination for outsourcing, computer science/information technology accounts for the biggest chunk of India's fresh engineering talent pool, with more than 98 per cent of the colleges offering this stream. The IT industry is fueling the growth of startups in India, with the presence of more than 5,200 startups in India.

Outlook for the Indian information technology (IT) sector is 'cautiously positive' in 2018 as challenges remain amidst prospects of greater IT spending with global and US economies improving- as per industry body Nasscom. More importantly, the industry has led the economic transformation of the country and altered the perception of India in the global economy. India's cost competitiveness in providing IT services, which is approximately 3-4 times cheaper than the US, continues to be the mainstay of its Unique Selling Proposition (USP) in the global sourcing market. However, India is also gaining prominence in terms of intellectual capital with several global IT firms setting up their innovation centres in India.

The IT industry has also created significant demand in the Indian education sector, especially for engineering and computer science. The Indian IT and ITeS industry is divided into four major segments – IT services, Business Process Management (BPM), software products and engineering services, and hardware.

Indian technology companies expect India's digital economy to have the potential to reach US\$ 4 trillion by 2022, as against the Government of India's estimate of US\$ 1 trillion. The computer software and hardware sector in India attracted cumulative Foreign Direct Investment (FDI) inflows US\$ 29.825 billion from April 2000 to December 2017, according to data released by the Department of Industrial Policy and Promotion (DIPP).

Leading Indian IT firms are diversifying their offerings and showcasing leading ideas in blockchain, artificial intelligence to clients using innovation hubs, research and development centres, in order to create differentiated offerings.

Annexure-D - Policy on Remuneration of Directors, Key Managerial Personnel and other Employees

1. Introduction:

InfoBeans Technologies Limited (“the Company”) recognizes the importance of attracting, retaining and motivating personnel of high caliber and talent for the purpose of ensuring efficiency and high standard in the conduct of its affairs and achievement of its goals besides securing the confidence of the shareholders in the sound management of the Company.

Section 178 of the Companies Act, 2013 require the Nomination and Remuneration Committee of the Board of Directors of every listed entity, among other classes of companies, to

- ▶ formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the Directors, key managerial personnel and other employees.
- ▶ identify persons who are qualified to become Directors and who may be appointed in senior management in accordance with the criteria laid down, recommend to the Board their appointment and removal
- ▶ carry out evaluation of every director's performance
- ▶ formulate the criteria for evaluation of Independent Directors and the Board

Accordingly, in adherence to the above said requirements and in line with the Company philosophy towards nurturing its human resources, the Nomination and Remuneration Committee of the Board of Directors of InfoBeans Technologies Limited herein below recommends to the Board of Directors for its adoption the Nomination and Remuneration Policy for the Directors, key managerial personnel and other employees of the Company as set out below:

2. Definitions:

“Act” means the Companies Act, 2013 and Rules framed there under, as amended from time to time.

“Board” means Board of Directors of the Company.

“Company” means “InfoBeans Technologies Limited.”

“Directors” means Directors of the Company.

“Independent Director” means a director referred to in Section 149 (6) of the Companies Act, 2013.

“Key Managerial Personnel” means as may be defined in the Companies Act, 2013.

As per section 2(51) “key managerial personnel”, in relation to a Company, means -

- i. the Chief Executive Officer or the Managing Director or the Manager;
- ii. the Company Secretary;
- iii. the Whole-time Director;
- iv. the Chief Financial Officer; and

v. such other officer as may be prescribed;

“Nomination and Remuneration Committee” shall mean a Committee of Board of Directors of the Company, constituted in accordance with the provisions of Section 178 of the Companies Act, 2013 and the SEBI (LODR) Regulations, 2015.

“Policy or This Policy” means “Policy for Remuneration of Directors, Key Managerial Personnel and Senior Employee”.

“Remuneration” means any money or its equivalent given or passed to any person for services rendered by him and includes perquisites as defined under the Income-tax Act, 1961.

“Senior Management” mean personnel of the Company who are members of its core management team excluding Board of Directors. This would include all members of management one level below the executive Directors, including all the functional heads.

“Other employees” mean all the employees other than the Directors, KMPs and the Senior Management Personnel.

3. Remuneration to the Directors:

The Company strives to provide fair compensation to Directors, taking into consideration industry benchmarks, Company's performance vis-à-vis the industry, responsibilities shouldered, performance/ track record, macroeconomic review on remuneration packages of heads of other organizations.

The remuneration payable to the Directors of the Company shall at all times be determined, in accordance with the provisions of Companies Act, 2013.

4. Appointment and Remuneration of Managing Director and Whole Time-Director:

The terms and conditions of appointment and remuneration payable to a Managing Director and/or Whole-time Director(s) shall be recommended by the Nomination and Remuneration Committee to the Board for its approval which shall be subject to approval by shareholders at the next general meeting of the Company and by the Central Government in case such appointment is at variance to the conditions specified in Schedule V to the Companies Act, 2013. Approval of the Central Government is not necessary if the appointment is made in accordance with the conditions specified in Schedule V to the Act.

In terms of the provisions of Companies Act, 2013, the Company may appoint a person as its Managing Director or Whole-time Director for a term not exceeding 3 (years) at a time.

The executive Directors may be paid remuneration either by way of a monthly payment or at a specified percentage of the net profits of the Company or partly by one way and partly by the other.

The break-up of the pay scale, performance bonus and quantum of perquisites including, employer's contribution

to P.F, pension scheme, medical expenses, club fees etc. shall be decided and approved by the Board on the recommendation of the Committee and shall be within the overall remuneration approved by the shareholders and Central Government, wherever required.

While recommending the remuneration payable to a Managing/ Whole-time Director, the Nomination and Remuneration Committee shall, inter alia, have regard to the following matters:

- ▶ Financial and operating performance of the Company
- ▶ Relationship between remuneration and performance
- ▶ Industry/ sector trends for the remuneration paid to executive directorate

Annual Increments to the Managing/ Whole Time Director(s) shall be within the slabs approved by the Shareholders. Increments shall be decided by the Nomination and Remuneration Committee at times it desires to do so but preferably on an annual basis.

5. Insurance Premium as Part of Remuneration:

Where any insurance is taken by a Company on behalf of its Managing Director, Whole-time Director, Manager, Chief Executive Officer, Chief Financial Officer or Company Secretary for indemnifying any of them against any liability in respect of any negligence, default, misfeasance, breach of duty or breach of trust for which they may be guilty in relation to the Company, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel.

However, if such person is proved to be guilty, the premium paid on such insurance shall be treated as part of the remuneration.

6. Remuneration to Independent Directors:

Independent Directors may receive remuneration by way of

- ▶ Commission as approved by the Shareholders of the Company
- ▶ Independent Directors shall not be entitled to any stock options.

Based on the recommendation of the Nomination and Remuneration Committee, the Board may decide the sitting fee payable to Independent Directors, but the amount of such sitting fees shall not exceed the maximum permissible under the Companies Act, 2013.

7. Remuneration to Directors in Other Capacity:

The remuneration payable to the Directors including Managing Director or Whole-time Director or Manager shall be inclusive of the remuneration payable for the services rendered by him/her in any other capacity except the following:-

- a) The services rendered are of a professional nature; and
- b) In the opinion of the Nomination and Remuneration Committee, the director possesses the requisite qualification for the practice of the profession.

8. Evaluation of the Directors:

As members of the Board, the performance of the individual

Directors as well as the performance of the entire Board and its Committees is required to be formally evaluated annually.

Section 178 (2) of the Companies Act, 2013 also mandates the Nomination and Remuneration Committee to carry out evaluation of every director's performance.

In developing the methodology to be used for evaluation on the basis of best standards and methods meeting international parameters, the Board / Committee may take the advice of an independent professional consultant.

9. Nomination and Remuneration of the Key Managerial Personnel (other than Managing/ Whole-time Directors), Key-Executives and Senior Management:

The executive management of a Company is responsible for the day to day management of the Company. The Companies Act, 2013 has used the term "Key Managerial Personnel" to define the executive management.

The KMP's is the point of first contact between the Company and its stakeholders. While the Board of Directors is responsible for providing the oversight, it is the Key Managerial Personnel and the Senior Management who are responsible for not just laying down the strategies as well as its implementation.

The Companies Act, 2013 has for the first time recognized the concept of Key Managerial Personnel.

Among the KMPs, the remuneration of the CEO or the Managing Director and the Whole-time Director(s), shall be governed by the Section on Remuneration of the Directors of this Policy dealing with "Remuneration of Managing Director and Whole-time- Director".

Apart from the Directors, the remuneration of all the other KMPs such as the Chief Financial Officer, Company Secretary or any other officer that may be prescribed under the statute from time to time; and "Senior Management" of the Company defined in the SEBI (LODR, Regulations, 2015 shall be determined by the Key Managerial Personnel/s of the Company in consultation with the Managing Director and/ or the Whole-time Director Finance.

The remuneration determined for all the above said senior personnel shall be in line with the Company's philosophy to provide fair compensation to key - executive officers based on their performance and contribution to the Company and to provide incentives that attract and retain key executives, instill a long-term commitment to the Company, and develop a pride and sense of Company ownership, all in a manner consistent with shareholder interests.

The break-up of the pay scale and quantum of perquisites including, employer's contribution to P.F, pension scheme, medical expenses etc. shall be decided by the Company's Key Managerial Personnel/s.

Decisions on Annual Increments of the Senior Personnel shall be decided by the Human Resources Department in consultation with the Managing Director and/ or the Whole-time Director Finance of the Company.

10. Remuneration of Other Employees:

Apart from the Directors, KMPs and Senior Management, the remuneration for rest of the employees is determined on the

basis of the role and position of the individual employee including professional experience, responsibility, job complexity and local market conditions.

The Company considers it essential to incentive the workforce to ensure adequate and reasonable compensation to the staff. The Key Managerial Personnel/s shall ensure that the level of remuneration motivates and rewards high performers who perform according to set expectations for the individual in question.

The various remuneration components, basic salary, allowances, perquisites etc. may be combined to ensure an appropriate and balanced remuneration package.

The annual increments to the remuneration paid to the

employees shall be determined based on the annual appraisal carried out by the HODs of various departments.

Decisions on Annual Increments shall be made on the basis of this annual appraisal.

11. Review and Amendment:

Any or all the provisions of this Policy would be subject to the revision/ amendment in the Companies Act, 2013, related rules and regulations, guidelines and the Listing Agreement on the subject as may be notified from time to time. Any such amendment shall automatically have the effect of amending this Policy without the need of any approval by the Nomination and Remuneration Committee and/ or the Board of Directors.

Independent Auditor's Report

To,
The Members of InfoBeans Technologies Limited (Formerly Known as InfoBeans Systems India Private Limited)

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of InfoBeans Technologies Limited (Formerly Known as InfoBeans Systems India Private Limited) ("the Company"), which comprises the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards referred specified under section 133 of the Act, read with Rule 7 of the Companies(Accounts) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statement that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure-A", a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought & obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement, dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rule issued thereunder.
- e) On the basis of written representations received from the directors as on March 31, 2018, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018, from being appointed as a director in terms of sub-section (2) of section 164 of the Act.
- f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.
- g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit & Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position as on March 31, 2018.

Annexure "B" To Independent Auditor's Report

(Referred to in paragraph 2(f) under "Report on Other Legal and Regulatory Requirements" section of our report to the Members of InfoBeans Technologies Limited of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of InfoBeans Technologies Limited (Formerly Known as InfoBeans Systems India Private Limited) ('the Company') as of 31st March 2018 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended March 31, 2018 (Amount in Lakhs, unless otherwise stated)

1. General Information

InfoBeans Technologies Ltd (the “company”), operating at CMMI level 3, is a public limited company domiciled in India, and has also got listed on the National Stock Exchange – SME Emerge Platform on 02nd May, 2017. The Company is specialized in software services. Our business is primarily engaged in providing custom developed services to offshore clients. InfoBeans provides software engineering services primarily in Product Engineering, Digital Transformation, Automation and DevOps.

2. Significant Accounting Policies

a. Basis of Preparation of Financial Statements

These financial statements are prepared in accordance with Indian Accounting Standards/Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed by the Companies (Accounting Standards) Rules, 2014 and the provisions of the Companies Act, 2013. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

All amounts included in the financial statements are report in Lakhs of Indian rupees except share and per share data unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

b. Use of Estimates

The preparation of the financial statements requires the management to make judgment, estimates and assumptions that affect the accounting policies, reported balances of assets and liabilities on the date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

c. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is primarily derived from software development and related services. Contracts with customers are arranged either on time and material basis or fixed price basis or fixed time-frame basis.

Revenue with respect to time and material contracts is recognized as related services are performed.

Since there is no ambiguity about measurement or collectability of consideration, Revenue from fixed price and fixed time frame contracts are recognized in accordance with the percentage completion method under which revenue is

recognized when mutually agreed milestone is achieved i.e. when the invoice is generated. When there is ambiguity about measurement or collectability of consideration, recognition is deferred until such ambiguity is determined.

Revenue from annual technical service contracts/ fixed time-frame basis is recognized in proportion over the period in which such services are rendered.

Revenues are presented net of sales tax, value added tax, service tax and applicable discounts and allowances.

Accrued Revenue included in 'Other current assets', represents amounts in respect of services performed in accordance with contract terms, not yet billed to the customers at the year end.

d. Fixed Assets

Tangible Assets are stated at cost of acquisition less accumulated depreciation and impairment loss, if any. Cost includes all identifiable expenditure incurred in their acquisition and construction/ installation and other related expenditure incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by the management.

Capital work in progress comprises of the cost of fixed assets that are not yet ready for their intended use at the reporting date. The Company identifies and determines separate useful lives for each major component of the fixed asset, if they have a useful life that is materially different from that of the asset as a whole.

When parts of an item of property, machinery and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

An item of tangible assets is derecognized on disposal or when no future economic benefits are expected from its use. Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment losses, if any.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

e. Depreciation and Amortization

Depreciation on fixed assets is provided at the rates and in the manner specified in Schedule XIV of the Companies Act, 1956 / Schedule II of Companies Act, 2013, wherever applicable on written down value method. Intangible assets are amortized on a straight line method over their estimated useful lives.

Effective April 01, 2014, the Company has with retrospective effect changed its method of providing depreciation on fixed assets related to Leasehold Improvements, Electrical Installation, Air conditioner from

the 'WDV' method to the 'Straight Line' method over the lease period. Management believes that this change will result in more appropriate presentation and will give a systematic basis of depreciation charge, representative of the time pattern in which the economic benefits will be derived from the use of these assets.

f. Technical Work in Progress

The company has been developing new capabilities for providing services, for which it has been incurring some expenses for the development. The company has policy to recognize such expenses as Technical WIP in the current assets head and the same will be charged to Profit and Loss @ 40% each year against the revenue of such services, after when such capabilities starts generating revenue.

g. Investment

Current investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are carried at the lower of cost and fair value of each investment individually. All other Investments are long-term investments, which are carried at cost less provisions recorded to recognize any decline, other than temporary, in the carrying value of each investment. The cost comprises the purchase price and directly attributable acquisition charges such as brokerage, fees and duties. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

h. Taxation

Taxation includes Income Tax, Minimum Alternate Tax and Deferred Tax. Income taxes are accrued in the same period that the related revenue and expenses arise. Provision for current tax will be made on the taxable profits for the year at the rates in force in Income Tax Act. The provision for deferred tax will be made on timing difference between book profit and Income Tax profit that have been enacted or substantively enacted as on the balance sheet date.

Minimum Alternate Tax (MAT) paid in accordance to the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as assets if there is convincing evidence that the Company will pay normal income tax after the tax holiday period. Accordingly, MAT is recognized as an assets in the balance sheet when it is probable that the future economic associated with it will flow to the Company and the asset can be measured reliably.

Deferred tax expense or benefit is recognized on timing difference being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

i. Foreign Currency Transaction

Foreign transactions denominated in foreign currency are normally recorded at the exchange rate prevailing to at the time of transaction;

Monetary items denominated in foreign currency remaining unsold at the end of year are translated at the year-end rate. On-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Any Income or Expenditure on account of exchange rate difference either or unsold or on transaction is recognized in the Profit and Loss Account.

j. Forward and Options Contract in Foreign Currency

The Company uses Foreign Exchange Forward and Options Contract to Hedge its exposure to movements in Foreign Exchange Rates. The Use of this Foreign Exchange Forward and Options Contracts reduce the risk or cost to the Company and the Company does not use those for Trading or Speculation Purposes. Forward and options contracts are fair valued at each reporting date. The resultant gain or loss from these transactions are recognized in the Statement of Profit and Loss. Forward and Option Contracts are fair valued at each reporting date.

k. Employee Benefits

i. Long-term Employee Benefits

(a) Defined Contribution Plans (Provident Fund)

The Company has Defined Contribution Plans for post-employment benefits in the form of Provident Fund, employee's state insurance, which are administered through Government of India. Provident Fund is classified as Defined Contribution Plans as the Company has no further obligation beyond making the contributions. The Company's contributions to Defined Contributions Plans are charged to the Profit and Loss Account as incurred.

(b) Defined Benefit Plan (Gratuity)

The Company has Defined Benefit Plan for post-employment benefits in the form of Gratuity for its employees in India. Liability for Defined Benefit Plan is provided on the basis of actuarial valuation, as at the Balance Sheet date, carried out by independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit method. The Company's gratuity fund is administered by a trust which has taken a Company policy with Life Insurance Corporation of India (LIC) to cover its liability towards employee gratuity. Actuarial gains and losses are recognized immediately in Profit and Loss account.

(c) Other Long-term Employee Benefits (Leave Encashment)

The employees of the Company are entitled to other long-term benefits in the form of Leave Encashment and Compensated Absences as per the policy of the company. The employees of the Company are entitled to compensated absences which are both accumulating and non-accumulating in nature. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

ii. Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognised in the year during which the employee rendered the services. These benefits includes compensated absences such as paid annual leave and performance incentives.

iii. Termination benefits

Termination benefits, in the nature of voluntary retirement benefits or those arising from restructuring are recognised as an expense as and when incurred.

l. Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share are calculated by dividing the net

profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for bonus shares.

m. Provision and Contingent Liabilities

Provision is recognized when there exists a present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to present value and are determined based on best estimates required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Disclosure of contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

n. Accounting for Employee Stock Option

Stock Options granted to employees of InfoBeans and its subsidiaries under the stock option scheme – InfoBeans Partnership Program are treated as per Guidance note on Employee Share based Payments issued by the Institute of Chartered Accountants of India as required by the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014. The company measures compensation cost relating to employee stock options using the intrinsic value method. The intrinsic value of the option being excess of market value of underlying share immediately prior to date of grant over its exercise price is recognized as employee compensation proportionately with a credit stock option outstanding account. Employee Compensation Expense Account is charged to Statement of Profit & Loss. The option that lapse shall be reversed by adjusting the Employee Compensation Expense Account of the forthcoming years.

o. Cash and Cash Equivalents

Cash and Cash Equivalents includes cash in hand and at

Bank and short term deposits with banks with an original maturity of twelve months or less.

p. Cash Flow Statement

Cash flows are prepared using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows.

Independent Auditor's Report

To,

The Members of InfoBeans Technologies Limited, (Formerly Known as InfoBeans Systems India Private Limited)

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of InfoBeans Technologies Limited ("hereinafter referred to as the company") and its subsidiaries (collectively referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2018, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("hereinafter referred to as the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015 as amended. The Board of Directors of the Company is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2018, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matter

We did not audit the financial information of 3 subsidiaries, whose financial information reflect total assets of Rs.878.30 Lakhs as at 31st March, 2018, total revenues of Rs. 2556.83 Lakhs and net cash inflows amounting to Rs.27.80 Lakhs for the year ended on that date, as considered in the consolidated financial statements.

These financial statements /financial information have been verified by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- c) The consolidated Balance sheet, the consolidated Statement of Profit and Loss, and the consolidated Cash Flow statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rule issued thereunder.
- e) On the basis of the written representations received from the directors of the Company as on 31st March 2018 taken on record by the Board of Directors of the Company and its subsidiary incorporated in India and the reports of the statutory auditors of its subsidiary company incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on 31st March 2018 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in "Annexure A" which is based on auditor's report of the Company and its subsidiary company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies, for the reasons stated therein.
- g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group does not have any pending litigations which would impact its financial position as on March 31, 2018.

Annexure "A" To Independent Auditor's Report

Referred to in paragraph (f) under "Report on Other Legal and Regulatory Requirements" section of our report to the Members of InfoBeans Technologies Limited of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of InfoBeans Technologies Limited (hereinafter referred to as "Company") and its subsidiary company, which is incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary company, which is incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary company, which is incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management, override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary

company, which is incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended March 31, 2018

(Amount in Lakhs, unless otherwise stated)

1. General Information

InfoBeans Technologies Ltd (the “company”), operating at CMMI level 3, is a public limited company domiciled in India and has also got listed on the National Stock Exchange – SME Emerge Platform on 02nd May, 2017. The Company and its subsidiary, is specialized in business Software Services. Our business is primarily engaged in providing custom developed services to offshore clients. InfoBeans provides software engineering services primarily in Product Engineering, Digital Transformation, Automation and DevOps.

The details of subsidiaries, considered in these consolidated financial statements are:

Name of Subsidiary	Incorporated Location	% of Holding as on 31-3-2018	% of Holding as on 31-3-2017
InfoBeans INC	USA	100%	100%
InfoBeans Technologies DMCC	UAE	100%	100%
InfoBeans Technologies Europe GmbH	Germany	100%	100%
InfoBeans IT City Private Limited	India	100%	100%

2. Significant Accounting Policies

a. Basis of Preparation of Financial Statements

These consolidated financial statements are prepared in accordance with Indian Accounting Standards/Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed by the Companies (Accounting Standards) Rules, 2014 and the provisions of the Companies Act, 2013. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

All amounts included in the consolidated financial statements are report in Lakhs of Indian rupees except share and per share data unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

b. Basis of Consolidation

The consolidated financial statements include the financial statements of InfoBeans and all its subsidiaries, which are owned or controlled. The financial statements of Group companies are consolidated on a line by line basis and intra-group balances and transactions are eliminated. The financial statements are prepared by applying uniform accounting policies in use at the Group. Since all the subsidiaries, are owned and controlled 100% by InfoBeans

as on the closing date, there is no minority interest and Goodwill/capital reserve.

c. Use of Estimates

The preparation of the consolidated financial statements requires the management to make judgment, estimates and assumptions that affect the accounting policies, reported balances of assets and liabilities on the date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made if the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

d. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. Revenue is primarily derived from software development and related services. Contracts with customers are arranged either on time and material basis or fixed price basis or fixed time-frame basis.

Revenue with respect to time and material contracts is recognized as related services are performed.

Since there is no ambiguity about measurement or collectability of consideration, Revenue from fixed price and fixed time frame contracts are recognized in accordance with the percentage completion method under when mutually agreed milestone is achieved i.e. when the invoice is generated. When there is ambiguity about measurement or collectability of consideration, recognition is deferred until such ambiguity is determined.

Revenue from annual technical service contracts/ fixed time-frame basis is recognized in proportion over the period in which such services are rendered.

Revenues are presented net of sales tax, value added tax, service tax and applicable discounts and allowances.

Accrued Revenue included in 'Other current assets', represents amounts in respect of services performed in accordance with contract terms, not yet billed to the customers at the year end.

e. Fixed Assets

Tangible Assets are stated at cost of acquisition less accumulated depreciation and impairment loss, if any. Cost includes all identifiable expenditure incurred in their acquisition and construction/ installation and other related expenditure incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by the management.

Capital work in progress comprises of the cost of fixed assets that are not yet ready for their intended use at the reporting date. The Group identifies and determines separate useful lives for each major component of the fixed asset, if they have a useful life that is materially different from that of the asset as a whole.

When parts of an item of property, machinery and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

An item of tangible assets is derecognized on disposal or when no future economic benefits are expected from its use. Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment losses, if any.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

f. Depreciation and Amortization

Depreciation on fixed assets is provided at the rates and in the manner specified in Schedule XIV of the Companies Act, 1956 / Schedule II of Companies Act, 2013, wherever applicable on written down value method. Intangible assets are amortized on a straight line method over their estimated useful lives.

Effective April 01, 2014, the Company has with retrospective effect changed its method of providing depreciation on fixed assets related to Leasehold Improvements, Electrical Installation, Air conditioner from the 'WDV' method to the 'Straight Line' method over the lease period. Management believes that this change will result in more appropriate presentation and will give a systematic basis of depreciation charge, representative of the time pattern in which the economic benefits will be derived from the use of these assets.

g. Technical Work in Progress

The group has been developing new capabilities for providing services, for which it has been incurring some expenses for the development. The group has policy to recognize such expenses as Technical WIP in the current assets head and the same will be charged to Profit and Loss @ 40% each year against the revenue of such services, after when such capabilities starts generating revenue.

h. Investment

Current investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are carried at the lower of cost and fair value of each investment individually. All other Investments are long-term investments, which are carried at cost less provisions recorded to recognize any decline, other than temporary, in the carrying value of each investment. The cost comprises the purchase price and directly attributable acquisition charges such as brokerage, fees and duties. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

i. Taxation

Taxation includes Income Tax, Minimum Alternate Tax and Deferred Tax. Income taxes are accrued in the same period

that the related revenue and expenses arise. Provision for current tax will be made on the taxable profits for the year at the rates in force in Income Tax Act. The provision for deferred tax will be made on timing difference between book profit and Income Tax profit that have been enacted or substantively enacted as on the balance sheet date.

Minimum Alternate Tax (MAT) paid in accordance to the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as assets if there is convincing evidence that the Group will pay normal income tax after the tax holiday period. Accordingly, MAT is recognized as an assets in the balance sheet when it is probable that the future economic associated with it will flow to the Group and the asset can be measured reliably.

Deferred tax expense or benefit is recognized on timing difference being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

j. Foreign Currency Transaction

Foreign transactions denominated in foreign currency are normally recorded at the exchange rate prevailing to at the time of transaction;

Monetary items denominated in foreign currency remaining unsold at the end of year are translated at the year-end rate. On-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Any Income or Expenditure on account of exchange rate difference either or unsold or on transaction is recognized in the Profit and Loss Account.

k. Forward and Options Contract in Foreign Currency

The group uses Foreign Exchange Forward and Options Contract to Hedge its exposure to movements in Foreign Exchange Rates. The Use of this Foreign Exchange Forward and Options Contracts reduce the risk or cost to the Group and the Group does not use those for Trading or Speculation Purposes. Forward and options contracts are fair valued at each reporting date. The resultant gain or loss from these transactions are recognized in the Statement of Profit and Loss. Forward and Option Contracts are fair valued at each reporting date.

l. Employee Benefits

i. Long-term Employee Benefits

(a) Defined Contribution Plans (Provident Fund)

The Group has Defined Contribution Plans for post-employment benefits in the form of Provident Fund, employee's state insurance, which are administered through Government of India. Provident Fund is classified as Defined Contribution Plans as the Group has no further obligation beyond making the contributions. The Company's contributions to Defined Contributions Plans are charged to the Profit and Loss Account as incurred

(b) Defined Benefit Plan (Gratuity)

The Group has Defined Benefit Plan for post-employment benefits in the form of Gratuity for its employees in India. Liability for Defined Benefit Plan is provided on the basis of actuarial valuation, as at the Balance Sheet date, carried out by independent actuary. The actuarial valuation method

used by independent actuary for measuring the liability is the Projected Unit Credit method. The Company's gratuity fund is administered by a trust which has taken a Group policy with Life Insurance Corporation of India (LIC) to cover its liability towards employee gratuity. Actuarial gains and losses are recognized immediately in Profit and Loss account.

(c) Other Long-term Employee Benefits (Leave Encashment)

The employees of the Group are entitled to other long-term benefits in the form of Leave Encashment and Compensated Absences as per the policy of the company. The employees of the Group are entitled to compensated absences which are both accumulating and non-accumulating in nature. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

ii. Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognised in the year during which the employee rendered the services. These benefits includes compensated absences such as paid annual leave and performance incentives.

iii. Termination benefits

Termination benefits, in the nature of voluntary retirement benefits or those arising from restructuring are recognised as an expense as and when incurred.

m. Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share are calculated by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for bonus shares..

n. Provision and Contingent Liabilities

Provision is recognized when there exists a present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to present value and are determined based on best estimates required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Disclosure of contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

o. Accounting for Employee Stock Option

Stock Options granted to employees of InfoBeans and its subsidiaries under the stock option scheme – InfoBeans Partnership Program are treated as per Guidance note on Employee Share based Payments issued by the Institute of Chartered Accountants of India as required by the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014. The company measures compensation cost relating to employee stock options using the intrinsic value method. The intrinsic value of the option being excess of market value of underlying share immediately prior to date of grant over its exercise price is recognized as employee compensation proportionately with a credit stock option outstanding account. Employee Compensation Expense Account is charged to Statement of Profit & Loss. The option that lapse shall be reversed by adjusting the Employee Compensation Expense Account of the forthcoming years

p. Cash and Cash Equivalents

Cash and Cash Equivalents includes cash in hand and at Bank and short term deposits with banks with an original maturity of twelve months or less.

q. Cash Flow Statement

Cash flows are prepared using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows

STATEMENT OF MATERIAL FACTS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

As required by Section 102 of the Companies Act, 2013 ("Act"), the following explanatory statement sets out all material facts relating to the business mentioned under Item Nos. 4&5 of the accompanying Notice:

ITEM No. 4

Approval for FIIs/FPIs/QFIs/NRI (Repatriable) to invest in the equity of the Company upto 24% of the paid-up equity share capital of the Company from the present allowed limit of 10% of the paid-up equity share capital of the company.

In accordance with the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident outside India) Regulations, 2000 issued under the Foreign Exchange Management Act, 1999 investment in Equity shares by NRI (Repatriable) is limited to 24% of a company's paid-up Equity Share Capital.

In view of the likely issuance of securities in the international market and to improve the free float of the Company's scrip for purchase/trading by NRI's, it is proposed to raise the limit for investment by NRIs in the paid-up Equity Share Capital of the Company from 10% to 24%. It is needless to emphasize that such a proposal would be in the wider interest of the members.

The Resolution set out in Item no. 4 of the Notice would enable the NRI's to acquire shares of the Company within the revised ceiling under the Portfolio Investment Scheme of Reserve Bank of India (RBI).

Board of Directors, therefore, recommends the Resolution set out at item no. 4 of notice for the approval of members as a Special Resolution.

None of the Directors, Key Managerial Personnel or their relatives is, in any way, concerned or interested in the resolution except to the extent of their shareholding in the company.

ITEM No. 5

behalf to the other party and on the expiry of the period of such notice, this Agreement shall stand terminated. The Company shall also be entitled without assigning any reason whatsoever to terminate the Agreement on giving to the appointees three months' salary as specified herein above under the head Remuneration, in lieu of three calendar months' notice required to be given under this clause.

Service of Notice

Any notice to be given hereunder shall be sufficiently given or served in case of the appointees by being delivered either personally to them or left for them at their addresses last known to the Company or sent by registered post addressed to them at such address and in the case of the Company by being delivered at or sent by registered post addressed to its Registered Office; any such notice if so posted shall be deemed served on the day following that on which it was posted. In terms of requirements under Schedule V to the Companies Act 2013, the Company requires to seek members' approval by a special resolution for minimum remuneration payable to the respective appointees in the scale laid down in Section II of Part II of Schedule V to the Act. In the event of loss or inadequate profits, the Company will obtain approval of Central Government for continuing the payment of Remuneration to the aforesaid appointees.

Memorandum of Interest

None of the Directors, Key managerial personnel and relatives of such persons except Mr. Siddharth Sethi is, in any way, concerned or interested, financial or otherwise, in the aforesaid Resolution. The Board accordingly recommends the Resolutions set out in item Nos. 5 of the accompanying Notice for members' approval by way of Special Resolution.

Inspection of documents

The draft of the proposed Agreements to be entered into between the Company and the appointees are available for inspection by the Members of the Company at its Registered Office, on any working day prior to the date of the meeting during 2.00 p.m to 4.00 p.m (with prior intimation) and will also be available at the meeting.
