M&A Update

InfoBeans acquired Pune based Salesforce Platinum Partner Eternus Solutions in November 2021, resulting in a major foray in the Salesforce ecosystem for cloud transformation. Salesforce is the world's leading cloud based CRM and digital transformation platform.

Talking about the acquisition, Mitesh Bohra, Co-founder at InfoBeans, said, "Post-integration InfoBeans will leverage Eternus Solutions' Salesforce practice and provide its customers with leading edge cloud solutions"

About InfoBeans

InfoBeans, founded in 2000 and now a team of 1500+ professionals, is a publicly listed Digital Transformation and Product Engineering organization. We design, build, and sustain enterprise-grade software to fulfill our clients' most ambitious business aspirations or resolve their most complex business problems using cutting-edge technology. We strive to deliver value accretive services to our clients over a long period of time as an extension of their own team. We intently focus on the philosophy that InfoBeans is our team's second home across our offices in the USA, Europe and Asia, and work hard every day to grow a work culture that fosters collaboration and excellence. Creating WOW! is not just a tagline for us, it's our religion!
