

# InfoBeans

CREATING **WOW!**

## CSR Update for the year 2022-2023

# Corporate Social Responsibility

## The journey of goodness, of lifecraft, of growth...

We provide zero-cost, but **life changing computer training** to those who lack opportunities, unlike the rest of us. We have helped more than 800 individuals choose a better career or find one.

In our humble attempt towards **environmental sustainability**, we have planted more than 10,000 trees so far through our go-green initiative.

## Corporate Social Responsibility

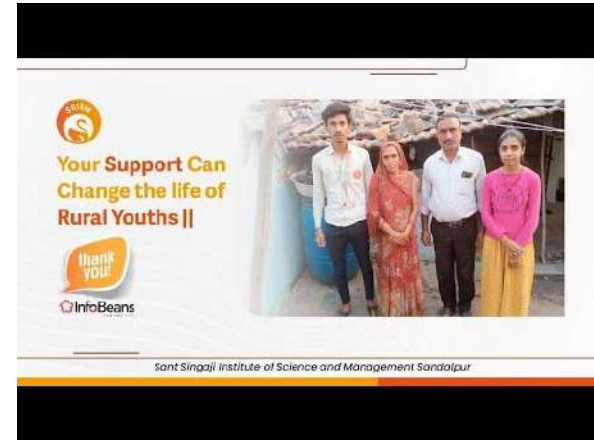

InfoBeans organized the Joy of Giving drive at Indore and Pune offices, where IBians contributed to the noble cause of 'Gifting Life' by donating blood, clothes, toys, and books to spread happiness in the lives of people in need.

# Corporate Social Responsibility

Glimpse of InfoBeans Foundation 3rd and largest Training Centre Inauguration in Indore

## Singaji Educational Society (SSES)

Sant Singaji Educational Society (SSES) was founded in 2010 with the goal of bringing about social and economic change in one of the most underdeveloped regions of the nation, specifically the Gondwana region of Madhya Pradesh. In Sandalpur village, Dewas District, Madhya Pradesh, it manages the Sant Singaji Institute of Science and Management. Over 1000 students are educated each year at this educational institution, which serves the college-bound youth of three rural Madhya Pradesh districts. InfoBeans yearly provides funding to **25 rural students** so they can enroll in various courses at SSES college and build successful careers. <https://www.youtube.com/watch?v=g6-5dIVO4YE>
